Our Member Relations team is available 8 a.m. to 8 p.m., 7 days a week. From October 1 to March 31, and 8 a.m. to 8 p.m., Monday to Friday, from April 1 to September 30.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.JeffersonHealthPlans.com/medicare. You may also call Member Relations at 1-866-901-8000 (TTY users should call 1-877-454-8477) for updated information.

Introduction: This booklet provides a list of Jefferson Health Plans' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Jefferson Health Plans' formularies.

When this pharmacy directory refers to "we," "us", or "our," it means Jefferson Health Plans. When it refers to "plan" or "our plan," it means Jefferson Health Plans.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under Jefferson Health Plans only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10/2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for our service area, including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Relations at 1-866-901-8000 (TTY users should call 1-877-454-8477).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

In this directory, pharmacies are listed first by type, such as Retail or Mail Order. Listings within each pharmacy type are organized by county, then by city, then alphabetically by name. Listings in Philadelphia are organized by ZIP code and then by name.

Pharmacy types listed in this directory are:

- **Retail Pharmacies** – These include chains and local drugstores.
- **Mail Order Pharmacy** – Getting your prescriptions by mail may be convenient for you, especially for maintenance medications.
- **Home Infusion Pharmacies** – If you are taking home infusion drugs, these pharmacies can fill your prescriptions.
- **Long-Term Care Pharmacies** – Residents of a long-term care facility may access their prescription drugs covered under Jefferson Health Plans through the facility's long-term care pharmacy or another network long-term care pharmacy.

TTY users, please call 711 to contact pharmacies listed in this directory.

Information about symbols shown in this directory is provided below and can also be found at the bottom of each page in the listings. These symbols can help you find pharmacies that will fill prescriptions for a 100- day extended supply and pharmacies that accept electronic prescribing (E-prescribing) by your doctor.

Symbols in the Pharmacy directory:

☐ - Means that this pharmacy accepts prescriptions from providers electronically

★ - Means that this pharmacy can provide up to 100-day drug supplies at the same cost-sharing that applies for mail order prescriptions

Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, please contact us 10-14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-866-901-8000 (TTY 1-877-454-8477).

Jefferson Health Plans contracts with Medicare to offer HMO, HMO-DSNP, and PPO plans. Our HMO-DSNP also has a contract with the Pennsylvania State Medicaid program. Enrollment in our plans depends on contract renewal.

Out-of-network/non-contracted providers are under no obligation to treat plan members, except in emergency situations. Please call our Member Relations number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
