Generalmente, debes usar las farmacias de la red para usar tu beneficio de medicamentos con receta. Los beneficios, el formulario, la red de farmacias o los copagos o el coseguro pueden cambiar el 1.<sup>º</sup> de enero de 2025, y de vez en cuando durante el año.

#### **¿Qué es el formulario Premium de Jefferson Health Plans?**

En este documento, usamos los términos Lista de medicamentos y formulario para referirnos a lo mismo. Un formulario es una lista de medicamentos cubiertos seleccionados por Jefferson Health Plans junto con un equipo de proveedores de atención médica, que representa las terapias recetadas que se consideran parte necesaria de un programa de tratamiento de calidad. Jefferson Health Plans, por lo general, cubre los medicamentos que se detallan en nuestro formulario siempre y cuando el medicamento sea médica mente necesario, la receta se surta en una farmacia de la red de Jefferson Health Plans y se cumplan otras reglas del plan. Para obtener más información sobre cómo surtir las recetas, revisa tu Evidencia de cobertura.

Para obtener una lista completa de todos los medicamentos recetados cubiertos por Jefferson Health Plans, visita nuestro sitio web o llámanos. Nuestra información de contacto, junto con la fecha en la que actualizamos el formulario, aparece en las páginas de portada y contraportada.

## ¿Puede cambiar el Formulario?

La mayoría de los cambios en la cobertura de medicamentos ocurren el 1.<sup>º</sup> de enero, pero es posible que Jefferson Health Plans agregue o elimine medicamentos de la Lista de Medicamentos durante el año, los mueva a un nivel distinto de costos compartidos o agregue nuevas restricciones. Debemos seguir las reglas de Medicare al realizar estos cambios. Las actualizaciones del formulario se publican mensualmente en nuestro sitio web en [JeffersonHealthPlans.com/medicare](http://JeffersonHealthPlans.com/medicare).

**Cambios que pueden afectarte este año:** En los casos a continuación, tú te verás afectado por los cambios de cobertura durante el año:

- **Sustituciones inmediatas de ciertas versiones nuevas de medicamentos de marca y productos biológicos originales.** Podemos retirar directamente un medicamento de nuestro formulario si lo reemplazaremos por una determinada versión genérica nueva de dicho medicamento que aparecerá en el mismo nivel de costos compartidos o un nivel más bajo y con las mismas o menos cantidad de restricciones. Cuando agregamos una nueva versión de un medicamento a nuestro formulario, podemos decidir mantener el medicamento de marca o producto biológico original en nuestro formulario, pero transferirlo de inmediato a un nivel de costo compartido diferente o agregar nuevas restricciones.

Podemos hacer estos cambios inmediatos solo si agregamos una nueva versión genérica de un medicamento de marca o agregamos ciertas nuevas versiones biosimilares de un producto biológico original que ya estaba en el formulario (por ejemplo, agregamos un biosimilar intercambiable que puede sustituirse por un producto biológico original por una farmacia sin una nueva receta).

Si actualmente estás tomando el medicamento de marca o el producto biológico original, es posible que no te notifiquemos por adelantado antes de realizar el cambio inmediato, pero posteriormente te brindaremos información acerca de los cambios específicos que hagamos.

Si realizamos tal cambio, tú o el profesional que te receta pueden solicitarnos que hagamos una excepción y que continuemos cubriendote el medicamento que se está cambiando. Para obtener más información, consulta la sección a continuación titulada “¿Cómo solicito una excepción al Formulario Premium de Jefferson Health Plans?”

Algunos de estos tipos de medicamentos pueden ser nuevos para ti. Para obtener más información, consulta la sección a continuación titulada “¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?”

- **Medicamentos retirados del mercado.** Si el fabricante retira un medicamento de la venta o la Administración de Alimentos y Medicamentos (Food and Drug Administration, FDA) determina que se retira por motivos de seguridad o eficacia, podemos retirar el medicamento de nuestro formulario de inmediato y luego notificar a los miembros que lo toman.

- **Otros cambios.** Podemos realizar otros cambios que afecten a miembros que actualmente estén tomando un medicamento. Por ejemplo, podemos eliminar un medicamento de marca del formulario al agregar un equivalente genérico o eliminar un producto biológico original al agregar un biosimilar. También podemos aplicar nuevas restricciones al medicamento de marca o producto biológico original, o transferirlo a un nivel de costo compartido diferente, o ambas opciones. Podemos realizar cambios basados en nuevas pautas clínicas. Si retiramos medicamentos de nuestro formulario, agregamos autorización previa, límites de cantidad o restricciones de terapia escalonada para un medicamento, o cambiamos un medicamento a nivel superior de costos compartidos, debemos informar sobre el cambio a los miembros afectados al menos 30 días antes de que el cambio entre en vigencia. Como alternativa, al momento en que el miembro solicite otra reposición del medicamento, se le entregará un suministro de 30 días del medicamento y un aviso del cambio.

Si realizamos tales cambios, tú o el profesional que te receta pueden solicitarnos que hagamos una excepción y que continuemos cubriendote el medicamento de marca. El aviso que te daremos incluirá información sobre cómo solicitar una excepción, y también puedes encontrar información en la sección que aparece a continuación titulada “¿Cómo solicito una excepción al Formulario Premium de Jefferson Health Plans?”

**Cambios que no te afectarán si estás tomando el medicamento actualmente.** Por lo general, si estás tomando un medicamento que aparece en nuestro formulario de 2025 que tenía cobertura a principio de año, no interrumpiremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2025, excepto como se describe anteriormente. Esto significa que estos medicamentos permanecerán disponibles en el mismo nivel de costos compartidos para los miembros que los tomen durante el resto del año de cobertura. No recibirás un aviso directo este año sobre los cambios que no te afectan. Sin embargo, el 1.<sup>º</sup> de enero del próximo año, dichos cambios podrían afectarte, y es importante consultar el Formulario para el nuevo año de beneficios para ver si hay cambios en los medicamentos.

El formulario adjunto entró en vigor el 01/08/2025. Para obtener información actualizada sobre los medicamentos cubiertos por Jefferson Health Plans, comunícate con nosotros. Nuestra información de contacto aparece en las páginas de portada y contraportada.

Nuestro formulario impreso se actualizará mediante otra impresión en el caso de que haya cambios en el formulario que no sean de mantenimiento y que ocurran a mitad de año.

## ¿Cómo uso el Formulario?

Hay dos maneras de encontrar tu medicamento en el formulario:

### Afección médica

El formulario comienza en la página 2. Los medicamentos de este formulario se agrupan en categorías según el tipo de afecciones médicas que tratan. Por ejemplo, los medicamentos que se usan para tratar una enfermedad cardíaca se enumeran en la categoría “Agentes cardiovasculares”. Si sabes para qué se usa tu medicamento, busca el nombre de la categoría en la lista que comienza en la página R-8. Luego, busca el medicamento debajo del nombre de la categoría.

## **Listado en orden alfabético**

Si no estás seguro de la categoría en la que debes buscar, busca el medicamento en el Índice que comienza en la página 103. El Índice proporciona una lista en orden alfabético de todos los medicamentos que se incluyen en este documento. Tanto los medicamentos genéricos como los medicamentos de marca aparecen en el Índice. Busca en el Índice y encuentra el medicamento. Junto al medicamento, verás el número de página donde podrás encontrar la información de cobertura. Recurre a la página que aparece en el Índice y encuentra el nombre del medicamento en la primera columna de la lista.

## **¿Qué son los medicamentos genéricos?**

Jefferson Health Plans cubre tanto medicamentos de marca como medicamentos genéricos. Un medicamento genérico está aprobado por la FDA como un medicamento que tiene los mismos ingredientes activos que el medicamento de marca. Generalmente, los medicamentos genéricos funcionan tan bien como el medicamento de marca y normalmente cuestan menos. Hay medicamentos genéricos sustitutos disponibles para muchos medicamentos de marca. Los medicamentos genéricos generalmente pueden sustituirse por el medicamento de marca en la farmacia sin necesidad de una nueva receta, según las leyes estatales.

## **¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?**

En el formulario, cuando nos referimos a medicamentos, esto podría significar un medicamento o un producto biológico. Los productos biológicos son medicamentos que son más complejos que los medicamentos típicos. Dado que los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen alternativas que se denominan biosimilares. Por lo general, los biosimilares funcionan tan bien como el producto biológico original y pueden costar menos. Existen alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son biosimilares intercambiables y, según las leyes estatales, pueden sustituirse por el producto biológico original en la farmacia sin necesidad de una nueva receta, al igual que los medicamentos genéricos pueden sustituirse por medicamentos de marca.

- Para conocer los tipos de medicamentos, consulta la Evidencia de cobertura, Capítulo 5, Sección 3.1, “La ‘Lista de medicamentos’ indica qué medicamentos de la Parte D están cubiertos”.

## **Hay alguna restricción en mi cobertura?**

Algunos medicamentos cubiertos pueden tener límites o requisitos adicionales en la cobertura. Se pueden aplicar los siguientes límites y requisitos:

- **Autorización previa:** Jefferson Health Plans requiere que tú o tu médico obtengan una autorización previa para determinados medicamentos. Significa que deberás obtener la aprobación de Jefferson Health Plans antes de surtir tus recetas. Si no obtienes la aprobación, es posible que Jefferson Health Plans no cubra el medicamento.
- **Límites de cantidad:** Para determinados medicamentos, Jefferson Health Plans limita la cantidad de medicamento que cubrirá. Por ejemplo, Jefferson Health Plans proporciona 60 comprimidos por receta para atorvastatina 10 mg. Es posible que esto se aplique además de un suministro estándar de un mes o tres meses.

- **Terapia escalonada:** En algunos casos, Jefferson Health Plans requiere que primero pruebes algunos medicamentos para tratar tu afección médica antes de que cubramos otro medicamento para esa afección. Por ejemplo, si el medicamento A y el medicamento B tratan tu afección médica, es posible que Jefferson Health Plans no cubra el medicamento B, salvo que antes pruebes el medicamento A. Si el medicamento A no te funciona, Jefferson Health Plans cubrirá el medicamento B.

Para averiguar si tu medicamento tiene límites o requisitos adicionales, consulta el formulario que comienza en la página 2. También puedes obtener más información sobre las restricciones que se aplican a medicamentos cubiertos específicos en nuestro sitio web. Publicamos documentos en línea que explican nuestra autorización previa y las restricciones de terapia escalonada. También puedes solicitarnos que te envíemos una copia. Nuestra información de contacto, junto con la fecha en la que actualizamos el formulario, aparece en las páginas de portada y contraportada.

Puedes solicitar a Jefferson Health Plans que haga una excepción para estas restricciones o límites, o pedir una lista de otros medicamentos similares que puedan tratar tu afección médica. Consulta la sección “¿Cómo solicito una excepción al formulario Premium de Jefferson Health Plans?” a continuación para obtener información acerca de cómo solicitar una excepción.

## **¿Qué sucede si mi medicamento no aparece en el Formulario?**

Si tu medicamento no se incluye en este formulario (lista de medicamentos cubiertos), primero debes comunicarte con Servicios para Miembros al 1-866-901-8000 (TTY 1-877-454-8477) y consultar si se cubre tu medicamento.

Si te enteras de que Jefferson Health Plans no cubre tu medicamento, tienes dos opciones:

- Puedes solicitarle a Servicios para Miembros una lista de medicamentos similares que estén cubiertos por Jefferson Health Plans. Cuando recibas la lista, muéstrasela al médico y pídele que te recete un medicamento similar que esté cubierto por Jefferson Health Plans.
- Puedes solicitar a Jefferson Health Plans que haga una excepción y que cubra tu medicamento. Consulta a continuación para obtener información acerca de cómo solicitar una excepción.

## **¿Cómo solicito una excepción al Formulario Premium de Jefferson Health Plans?**

Puedes solicitar a Jefferson Health Plans que haga una excepción a nuestras reglas de cobertura. Hay varios tipos de excepciones que puedes solicitarnos.

- Puedes solicitarnos que cubramos un medicamento si no aparece en nuestro formulario. Si se aprueba, este medicamento será cubierto a un nivel predeterminado de gastos compartidos, y no podrás pedirnos que te proporcionemos el medicamento a un nivel más bajo de gastos compartidos.
- Puedes solicitarnos que anulemos una restricción de cobertura, incluida la autorización previa, la terapia escalonada o un límite de cantidad en tu medicamento. Por ejemplo, para algunos medicamentos, Jefferson Health Plans limita la cantidad del medicamento que cubriremos. Si tu

medicamento tiene un límite de cantidad, puedes solicitarnos que retiremos el límite y que cubramos una cantidad mayor.

- Puedes pedirnos que cubramos un medicamento del formulario a un nivel menor de costos compartidos a menos que el medicamento no esté en el nivel de especialidades. Si se aprueba, se reduciría la cantidad que debes pagar por el medicamento.

Por lo general, Jefferson Health Plans solo aprobará tu solicitud de una excepción si los medicamentos alternativos que se incluyen en el formulario del plan, los medicamentos de costos compartidos más bajos o las restricciones de utilización adicionales no fueran tan efectivos para tratar tu enfermedad o te causaran efectos médicos adversos.

Tú o la persona que extiende la receta deben comunicarse con nosotros para solicitar una excepción de nivel o del formulario, incluida una excepción a una restricción de cobertura. **Cuando solicitas una excepción, la persona que extiende la receta deberá explicar los motivos médicos por los que necesitas la excepción.** Por lo general, debemos tomar la decisión en el plazo de 72 horas de haber recibido la declaración del profesional que te receta. Puedes solicitar una excepción urgente (acelerada) si tú o tu médico creen que tu salud podría dañarse gravemente si esperaras hasta 72 horas para obtener una decisión. Si estamos de acuerdo, o si la persona que extiende la receta solicita una decisión rápida, debemos darte una decisión a más tardar 24 horas después de recibir la declaración de respaldo de la persona que extiende la receta.

### **¿Qué puedo hacer si mi medicamento no está en el formulario o tiene una restricción?**

Como miembro nuevo o permanente de nuestro plan, es posible que estés tomando medicamentos que no se encuentren en nuestro formulario. O bien, es posible que estés tomando un medicamento que está en nuestro formulario, pero que tiene una restricción de cobertura, como una autorización previa. Debes hablar con la persona que extiende la receta sobre solicitar una decisión de cobertura para demostrar que cumples con los criterios de aprobación, cambiar a un medicamento alternativo que cubramos o solicitar una excepción al formulario para que cubramos el medicamento que tomas. Mientras tú y tu médico determinan el procedimiento correcto para ti, es posible que cubramos tu medicamento en algunos casos durante los primeros 90 días que seas miembro de nuestro plan.

Para cada uno de tus medicamentos que no esté en nuestro formulario o que tenga una restricción de cobertura, cubriremos un suministro temporal de 30 días. Si tu receta está escrita para menos días, permitiremos reposiciones para brindar un suministro de 30 días de medicamento, como máximo. Si no se aprueba la cobertura, después de tu primer suministro de 30 días, no pagaremos estos medicamentos, incluso si has sido miembro del plan durante menos de 90 días.

Si eres residente de un centro de atención prolongada y necesitas un medicamento que no se encuentra en nuestro formulario o si tu capacidad para obtener los medicamentos es limitada, pero ya han pasado los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia de 31 días de ese medicamento mientras intentas obtener una excepción del formulario.

Si eres un miembro actual y te cambian el ámbito del tratamiento debido a algún cambio en el nivel de atención que requieres, puedes solicitarnos que hagamos una excepción del formulario. Algunos ejemplos de modificaciones en los niveles de atención incluyen:

- Alta del hospital a la casa.

- Finalizar la estadía en un centro de enfermería especializada de la Parte A de Medicare (donde los pagos incluyen gastos de farmacia) y necesitar el plan de la Parte D.
- Cambiar de la condición de cuidados paliativos y volver a la cobertura estándar de la Parte A y B de Medicare.
- Finalizar una estadía en un centro de atención prolongada y regresar a la comunidad.
- Altas de hospitales psiquiátricos con regímenes farmacológicos altamente individualizados.

Para estas transiciones imprevistas, puedes solicitarnos que hagamos una excepción al formulario o puedes apelar para continuar con la cobertura de tu medicamento. Además, revisaremos las solicitudes de continuación de terapia de forma individual, para los miembros que han tenido una modificación en su nivel de atención y se estabilizan con regímenes farmacológicos que, de cambiarse, producirían riesgos.
