Section 1 – Welcome

Introduction

What is HealthChoices?

HealthChoices is Pennsylvania's Medical Assistance (MA) managed care program. The Office of Medical Assistance Programs (OMAP) in Pennsylvania's Department of Human Services (DHS) oversees the physical health portion of HealthChoices. Physical health services are provided through the physical health managed care organizations (PH-MCOs). Behavioral health services are provided through behavioral health managed care organizations (BH-MCOs). For more information on behavioral health services, see page 45.

The Medical Assistance (MA) cards with the Capitol and cherry blossoms may be used for cash assistance, Supplemental Nutritional Assistance Program (SNAP), and MA. Additionally, if a Member is eligible for cash assistance, they are automatically eligible for MA. Typically, this card is issued to the person who the cash assistance and/or SNAP benefit is directed to, or for MA it is issued to the head of household.

The “Blue Card(s)” are issued only for MA to all other members of the household.

Older MA cards that may still be active are shown here.

The green/blue card with yellow “ACCESS” may also serve as the head of household’s EBT card for SNAP and cash assistance, and their MA card. Enrollment

In order to get services in HealthChoices, you need to stay eligible for Medical Assistance. You will get paperwork or a phone call about renewing your eligibility. It is important that you follow instructions so that your Medical Assistance does not end. If you have questions about any paperwork you get or if you are unsure whether your eligibility for Medical Assistance is up to date, call Jefferson Health Plans EverWell Member Services at 1-800-553-0784 (TTY 1-877-454-8477) or your CAO.

Enrollment Services

The Medical Assistance Program works with the Enrollment Assistance Program (EAP) to help you enroll in HealthChoices. You received information about EAP with the information you received about selecting a HealthChoices plan. Enrollment specialists can give you information about all of the HealthChoices plans available in your area so that you can decide which one is best for you. If you do not pick a HealthChoices plan, a HealthChoices plan will be chosen for you. Enrollment specialists can also help you if you want to change your HealthChoices plan or if you move to another county.

Enrollment specialists can help you:

- Pick a HealthChoices plan
- Change your HealthChoices plan
- Pick a PCP when you first enroll in a HealthChoices plan
- Answer questions about all of the HealthChoices plans
- Determine whether you have a special health care or social need, which could help you decide which HealthChoices plan to pick
- Give you more information about your HealthChoices plan

To contact the EAP, call 1-800-440-3989 or 1-800-618-4225 (TTY).

Changing Your HealthChoices Plan

You may change your HealthChoices plan at any time, for any reason. To change your HealthChoices plan, call the EAP at 1-800-440-3989 or 1-800-618-4225 (TTY). They will tell you when the change to your new HealthChoices plan will start, and you will stay in Jefferson Health Plans EverWell until then. It can take up to 6 weeks for a change to your HealthChoices plan to take effect. Use your Jefferson Health Plans EverWell ID card at your appointments until your new plan starts.

Changes in the Household

Call your CAO and Member Services at 1-800-553-0784 (TTY 1-877-454-8477) if there are any changes to your household.

For example:

- Someone in your household is pregnant or has a baby
- Your address or phone number changes
- You or a family member who lives with you gets other health insurance
- You or a family member who lives with you gets very sick or becomes disabled
- A family member moves in or out of your household
- There is a death in the family

Once born, a new baby is automatically assigned to the mother's current HealthChoices plan. You may change your baby's plan by calling the EAP at 1-800-440-3989. Once the change is made you will receive a new HealthChoices member ID card for your baby.

Remember that it is important to call your CAO right away if you have any changes in your household because the change could affect your benefits.

What Happens if I Move?

If you move out of your county you may need to choose a new HealthChoices plan. Contact your CAO if you move. If Jefferson Health Plans EverWell also serves your new county you can stay with Jefferson Health Plans EverWell. If Jefferson Health Plans EverWell does not serve your new county, the EAP can help you select a new plan.

If you move out of state, notify your CAO as you will no longer be able to get services through HealthChoices. Your caseworker will end your benefits in Pennsylvania. You will need to apply for benefits in your new state.

Loss of Benefits

There are a few reasons why you may lose your benefits completely.

They include:

- Your Medical Assistance ends for any reason. If you are eligible for Medical Assistance again within 6 months, you will be re-enrolled in the same HealthChoices plan unless you pick a different HealthChoices plan.
- You go to a nursing home outside of Pennsylvania.
- You have committed Medical Assistance fraud and have finished all appeals.
- You go to prison or are placed in a youth development center.

There are also reasons why you may no longer be able receive services through a physical health MCO and you will be placed in the Fee-for-Service program.

They include:

- You are placed in a juvenile detention center for more than 35 days in a row.
- You are 21 years of age or older and begin receiving Medicare Part D (Prescription Drug Coverage).
- You go to a state hospital.

You may also become eligible for Community HealthChoices (CHC). If you become eligible for Medicare coverage or become eligible for nursing facility or home and community based services, you will be eligible for CHC. For more information on CHC visit healthchoices.pa.gov.

You will receive a notice from DHS if you lose your benefits or if you are no longer able to receive services through a physical health MCO and will begin to receive services through the Fee-for-Service system or CHC.

You may also call Member Services to get help finding a provider. The provider directory includes the following information about network providers:

- Name, address, website address, email address, telephone number
- Whether or not the provider is accepting new patients
- Days and hours of operation
- The provider's credentials and board certifications
- The provider's specialty and services offered by the provider
- Whether or not the provider speaks languages other than English and, if so, which languages
- Whether or not the provider locations are wheelchair accessible

*The information in the printed directory may change. You can call Member Services to check if the information in the provider directory is current. Jefferson Health Plans EverWell updates the printed provider directory every month. The online directory is updated at least monthly.

Picking Your Primary Care Provider (PCP)

Your PCP is the doctor or doctors' group who provides and works with your other health care providers to make sure you get the health care services you need. Your PCP refers you to specialists you need and keeps track of the care you get by all of your providers.

A PCP may be a family doctor, a general practice doctor, a pediatrician (for children and teens), or an internist (internal medicine doctor). You may also pick a certified registered nurse practitioner (CRNP) as a PCP. A CRNP works under the direction of a doctor and can do many of the same things a doctor can do such as prescribing medicine and diagnosing illnesses.

Some doctors have other medical professionals who may see you and provide care and treatment under the supervision of your PCP.

Some of these medical professionals may be:

- Physician Assistants
- Medical Residents
- Certified Nurse-Midwives

If you have Medicare, you can stay with the PCP you have now even if your PCP is not in Jefferson Health Plans EverWell's network. If you do not have Medicare, your PCP must be in Jefferson Health Plans EverWell's network.

If you have a special health care or social need, you can ask for a specialist to be your PCP. The specialist needs to agree to be your PCP and must be in Jefferson Health Plans EverWell's network.

Enrollment specialists can help you pick your first PCP with Jefferson Health Plans EverWell. If you do not pick a PCP through the EAP within 14 days of when you picked Jefferson Health Plans EverWell, Jefferson Health Plans EverWell will pick your PCP for you.

Changing Your PCP

If you want to change your PCP for any reason, call Member Services at 1-800-553-0784 (TTY 1-877-454-8477) to ask for a new PCP. You can also change your PCP using the member portal: JeffersonHealthPlans.com/portal. If you need help finding a new PCP, you can go to JeffersonHealthPlans.com/medicaid, which includes a provider directory, or ask Member Services to send you a printed provider directory.

Jefferson Health Plans EverWell will send you a new ID card with the new PCP's name and phone number on it. The Member Services representative will tell you when you can start seeing your new PCP.

When you change your PCP, Jefferson Health Plans EverWell can help coordinate sending your medical records from your old PCP to your new PCP. In emergencies, Jefferson Health Plans EverWell will help to transfer your medical records as soon as possible.

If you have a pediatrician or pediatric specialist as a PCP, you may ask for help to change to a PCP who provides services for adults.

Office Visits

Making an Appointment with Your PCP

To make an appointment with your PCP, call your PCP's office. If you need help making an appointment, please call Jefferson Health Plans EverWell Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

If you need help getting to your doctor's appointment, please see the Medical Assistance Transportation Program (MATP) section on page 39 of this Handbook or call Jefferson Health Plans EverWell Member Services at the phone number above. If you do not have your Jefferson Health Plans EverWell ID card by the time of your appointment, take your ACCESS card or EBT card with you. You should also tell your PCP that you selected Jefferson Health Plans EverWell as your HealthChoices plan.

Appointment Standards

Jefferson Health Plans EverWell's providers must meet the following appointment standards:

- Your PCP should see you within 10 business days of when you call for a routine appointment.
- You should not have to wait for routine care more than 30 minutes, or no more than up to one (1) hour when the doctor has an emergency.
- If you have an urgent medical condition, your provider should see you within 24 hours of when you call for an appointment.
- If you have an emergency, the provider must see you immediately or refer you to an emergency room.
- If you are pregnant and
 - In your first trimester, your provider must see you within 10 business days of Jefferson Health Plans EverWell learning you are pregnant.
 - In your second trimester, your provider must see you within 5 business days of Jefferson Health Plans EverWell learning you are pregnant.
 - In your third trimester, your provider must see you within 4 business days of Jefferson Health Plans EverWell learning you are pregnant.
 - Have a high-risk pregnancy, your provider must see you within 24 hours of Jefferson Health Plans EverWell learning you are pregnant.

Referrals

A referral is when your PCP sends you to a specialist. A specialist is a doctor (or a doctor's group) or a

CRNP who focuses his or her practice on treating one disease or medical condition or a specific part of the body. If you go to a specialist without a referral from your PCP, you may have to pay the bill.

If Jefferson Health Plans EverWell does not have at least 2 specialists in your area and you do not want to see the specialist in your area, Jefferson Health Plans EverWell will work with you to see an out-of-network specialist at no cost to you. Your PCP must contact Jefferson Health Plans EverWell to let us know you want to see an out-of-network specialist and get approval from Jefferson Health Plans EverWell before you see the specialist.

Your PCP will help you make the appointment with the specialist. The PCP and the specialist will work with you and with each other to make sure you get the health care you need.

Your PCP may ask for your signature of consent for an interprofessional consultation service. This service allows your PCP to contact a specialist, without you present, to treat your particular health concern.

Sometimes you may have a special medical condition where you need to see the specialist often. When your PCP refers you for several visits to a specialist, this is called a standing referral. For a list of specialists in Jefferson Health Plans EverWell's network, please see the provider directory on our website at JeffersonHealthPlans.com/medicaid or call Member Services to ask for help or a printed provider directory.

Self-Referrals

Self-referrals are services you arrange for yourself and do not require that your PCP arrange for you to receive the service. You must use a Jefferson Health Plans EverWell's network provider unless Jefferson Health Plans EverWell approves an out-of-network provider.

The following services do not require referral from your PCP:

- Prenatal visits
- Routine obstetric (OB) care
- Routine gynecological (GYN) care
- Routine family planning services (may see out-of-network provider without approval)
- Routine dental services
- Routine eye exams
- Emergency services
- Vision or hearing screenings (for members under the age of 21)

You do not need a referral from your PCP for behavioral health services. You can call your behavioral health managed care organization for more information. Please see section 7 of the Handbook, on page 45 for more information.

After-Hours Care

You can call your PCP for non-emergency medical problems 24 hours a day, 7 days a week. On-call health care professionals will help you with any care and treatment you need.

Jefferson Health Plans EverWell works with Teladoc to connect you with doctors who can help you with many non-emergency medical conditions. Teladoc is a toll-free advice line at 1-800-Teladoc (835-2362), 1-800-877-8973 (TTY) that you can also call 24 hours a day, 7 days a week. Privacy and Confidentiality

Jefferson Health Plans EverWell must protect the privacy of your protected health information (PHI). Jefferson Health Plans EverWell must tell you how your PHI may be used or shared with others. This includes sharing your PHI with providers who are treating you or so that Jefferson Health Plans EverWell can pay your providers. It also includes sharing your PHI with DHS. This information is included in Jefferson Health Plans EverWell's Notice of Privacy Practices. To get a copy of Jefferson Health Plans EverWell's Notice of Privacy Practices, please call 1-800-553-0784 (TTY 1-877-454-8477) or visit JeffersonHealthPlans.com/Privacy-Practices.

Co-payments

A co-payment is the amount you pay for some covered services. It is usually only a small amount. You will be asked to pay your co-payment when you get the service, but you cannot be denied a service if you are not able to pay a co-payment at that time. If you did not pay your co-payment at the time of the service, you may receive a bill from your provider for the co-payment.

Co-payment amounts can be found in the Covered Services chart on page 17 of this Handbook.

The following members do not have to pay co-payments:

- Members under age 18
- Pregnant members (including 1 year after the child is born: the post-partum period)
- Members who live in a long-term care facility, including Intermediate Care Facilities for the Intellectually Disabled and Other Related Conditions or other medical institution
- Members who live in a personal care home or domiciliary care home
- Members eligible for benefits under the Breast and Cervical Cancer Prevention and Treatment Program
- Members eligible for benefits under Title IV-B Foster Care and Title IV-E Foster Care and Adoption Assistance

The following services do not require a co-payment:

- Emergency services
- Laboratory services
- Family planning services, including supplies
- Hospice services
- Home health services

- Tobacco cessation services
- Professional component of diagnostic radiology, nuclear medicine, radiation therapy and medical diagnostic services when billed separately from technical component
- Psychiatric partial hospitalization services
- Services furnished by a funeral director
- Renal dialysis services
- Blood and blood products
- Oxygen
- Ostomy supplies
- Rental of Durable Medical Equipment
- Outpatient services when MA fee is under \$2.00
- Screenings provided under the EPSDT program
- More than one of a series of a specific allergy test provided in a 24-hour period
- Enhanced Member Support/Case Management services

What if I Am Charged a Co-payment and I Disagree?

If you believe that a provider charged you the wrong amount for a co-payment or for a co-payment you believe you should not have had to pay, you can file a Complaint with Jefferson Health Plans EverWell. Please see Section 8, Complaints, Grievances, and Fair Hearings for information on how to file a Complaint, or call Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

Billing Information

Providers in Jefferson Health Plans EverWell's network may not bill you for medically necessary services that Jefferson Health Plans EverWell covers. Even if your provider has not received payment or the full amount of their charge from Jefferson Health Plans EverWell, the provider may not bill you. This is called balance billing and is not permitted.

When Can a Provider Bill Me?

Providers may bill you if:

- You did not pay your co-payment.
- You received services from an out-of-network provider without approval from Jefferson Health Plans EverWell and the provider told you before you received the service that the service would not be covered, and you agreed to pay for the service.
- You received services that are not covered by Jefferson Health Plans EverWell and the provider told you before you received the service that the

service would not be covered, and you agreed to pay for the service.

- You received a service from a provider that is not enrolled in the Medical Assistance Program.

What Do I Do if I Get a Bill?

If you get a bill from a provider and you think the provider should not have billed you, you can call Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

Open it right away. Do not pay it. Just write "Jefferson Health Plans EverWell" and your Jefferson Health Plans EverWell identification number from your ID card on the bill. Mail the bill back to the office that sent it to you. The address of the office is usually in the upper left-hand corner or lower right-hand corner of the bill.

If you get a bill from a provider for one of the above reasons that a provider is allowed to bill you, you should pay the bill or call the provider.

Third-Party Liability

You may have Medicare or other health insurance. Medicare or your other health insurance is your primary insurance. This other insurance is known as "third party liability" or TPL. Having other insurance does not affect your Medical Assistance eligibility. In most cases, your Medicare or other insurance will pay your PCP or other provider before Jefferson Health Plans EverWell pays. Jefferson Health Plans EverWell can only be billed for the amount that your Medicare or other health insurance does not pay.

You must tell both your CAO and Jefferson Health Plans EverWell Member Services at 1-800-553-0784 (TTY 1-877-454-8477) if you have Medicare or other health insurance. When you go to a provider or to a pharmacy, you must tell the provider or pharmacy about all forms of medical insurance you have and show the provider or pharmacy your Medicare card or other insurance card, ACCESS or EBT card, and your Jefferson Health Plans EverWell ID card. This helps make sure your health care bills are paid timely and correctly.

Coordination of Benefits

If you have Medicare and the service or other care you need is covered by Medicare, you can get care from any Medicare provider you pick. The provider does not have to be in Jefferson Health Plans EverWell's network. You also do not have to get prior authorization from Jefferson Health Plans EverWell or referrals from your Medicare PCP to see a specialist. Jefferson Health Plans EverWell will

work with Medicare to decide if it needs to pay the provider after Medicare pays first, if the provider is enrolled in the Medical Assistance Program.

If you need a service that is not covered by Medicare but is covered by Jefferson Health Plans EverWell, you must get the service from a Jefferson Health Plans EverWell network provider. All Jefferson Health Plans EverWell rules, such as prior authorization and specialist referrals, apply to these services.

If you do not have Medicare but you have other health insurance and you need a service or other care that is covered by your other insurance, you must get the service from a provider that is in both the network of your other insurance and Jefferson Health Plans EverWell's network. You need to follow the rules of your other insurance and Jefferson Health Plans EverWell, such as prior authorization and specialist referrals. If your other health insurance covers a specialist referral, or another service that is covered on the Medical Assistance Fee Schedule, with or without prior authorization, you will not need additional approval from the PH-MCO. Your PH-MCO will accept your third party referral and/or prior authorization if the service is covered by your other health insurance. Jefferson Health Plans EverWell will work with your other insurance to decide if it needs to pay for the services after your other insurance pays the provider first. If you need a service that is not covered by your other insurance, you must get the services from a Jefferson Health Plans EverWell network provider. All Jefferson Health Plans EverWell rules, such as prior authorization and specialist referrals, apply to these services.

Recipient Restriction/Lock-in Program

The Recipient Restriction/Member Lock-In Program requires a member to use specific providers if the member has abused or overused their health care or prescription drug benefits. Jefferson Health Plans EverWell works with DHS to decide whether to limit a member to a doctor, pharmacy, hospital, dentist, or other provider.

How Does it Work?

Jefferson Health Plans EverWell reviews the health care and prescription drug services you have used. If Jefferson Health Plans EverWell finds overuse or abuse of health care or prescription services, Jefferson Health Plans EverWell asks DHS to approve putting a limit on the providers you can use. If approved by DHS, Jefferson Health Plans EverWell will send you a written notice that explains the limit.

You can pick the providers, or Jefferson Health

Plans EverWell will pick them for you. If you want a different provider than the one Jefferson Health Plans EverWell picked for you, call Member Services at 1-800-553-0784 (TTY 1-877-454-8477). The limit will last for 5 years even if you change HealthChoices plans.

If you disagree with the decision to limit your providers, you may appeal the decision by asking for a DHS Fair Hearing, within 30 days of the date of the letter telling you that Jefferson Health Plans EverWell has limited your providers.

You must sign the **written** request for a Fair Hearing and send it to:

Department of Human Services
Office of Administration
Bureau of Program Integrity - DPPC
Recipient Restriction Section
P.O. Box 2675
Harrisburg, Pennsylvania 17105-2675

If you need help asking for a Fair Hearing, please call Member Services at 1-800-553-0784 (TTY 1-877-454-8477) or contact your local legal aid office.

If your appeal is postmarked within 10 days of the date on Jefferson Health Plans EverWell's notice, the limits will not apply until your appeal is decided. If your appeal is postmarked more than 10 days but within 30 days from the date on the notice, the limits will be in effect until your appeal is decided. The Bureau of Hearings and Appeals will let you know, in writing, of the date, time, and place of your hearing. You may not file a Grievance or Complaint through Jefferson Health Plans EverWell about the decision to limit your providers.

Every 5 years, while the restriction is in place, Jefferson Health Plans EverWell will review your services again to decide if the limits should be removed or continued and will send the results of its review to DHS. Jefferson Health Plans EverWell will tell you the results of the review in writing.

Services That Are Not Covered

There are physical health services that Jefferson Health Plans EverWell does not cover. If you have any questions about whether or not Jefferson Health Plans EverWell covers a service for you, please call Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

MCOs may choose to cover experimental medical procedures, medicines and equipment based on your specific situation. MCOs must provide coverage for routine patient care costs for members participating in qualifying clinical trials.

Second Opinions

You have the right to ask for and receive a second opinion if you are not sure about any medical treatment, service, or non-emergency surgery that is suggested for you. A second opinion may give you more information that can help you make important decisions about your treatment. A second opinion is available to you at no cost other than a co-pay.

Call your PCP to ask for the name of another Jefferson Health Plans EverWell network provider to get a second opinion. If there are not any other providers in Jefferson Health Plans EverWell's network, you may ask Jefferson Health Plans EverWell and be approved for a second opinion from an out-of-network provider.

What is Prior Authorization?

Some services or items need approval from Jefferson Health Plans EverWell before you can get the service. This is called prior authorization. For services that need prior authorization, Jefferson Health Plans EverWell decides whether a requested service is medically necessary before you get the service. You or your provider must make a request to Jefferson Health Plans EverWell for approval before you get the service.

What Does Medically Necessary Mean?

Medically necessary means that a service, item, or medicine does one of the following:

- It will, or is reasonably expected to, prevent an illness, condition, injury, or disability;
- It will, or is reasonably expected to, reduce or improve the physical, mental, or developmental effects of an illness, condition, injury or disability;
- It will help you to get or keep the ability to perform daily tasks, taking into consideration both your abilities and the abilities of someone of the same age.

If you need any help understanding when a service, item, or medicine is medically necessary or would like more information, please call Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

How to Ask for Prior Authorization

When a service, item, or medicine requires prior authorization from Jefferson Health Plans EverWell before it can be provided to you, typically your provider will submit the prior authorization request with current doctor's orders and supporting clinical documentation through our online provider portal. Your provider may also fax the request to Jefferson Health Plans EverWell at 1-866-240-3712 or call in the request by phone at 1-888-991-9023.

Please talk to your PCP or specialist or call Member Services at 1-800-553-0784 (TTY 1-877-454-8477):

- If you are not sure that your provider has requested prior authorization.
- If you are unsure whether prior authorization is needed for a service, item or medicine.
- If you simply need help to better understand the prior authorization process.

If you need help to better understand the prior authorization process, talk to your health care provider or call Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

If you or your provider would like a copy of the medical necessity guidelines or other rules that were used to decide your prior authorization request, you can call Member Services at 1-800-553-0784 (TTY 1-877-454-8477). Providers should call Provider Services at 1-888-991-9023. You can also visit JeffersonHealthPlans.com/Providers/Prior-Authorizations.

What Services, Items, or Medicines Need Prior Authorization?

The following chart identifies some, but not all services, items and medicines that require prior authorization.

Services that require prior authorization include, but are not limited to:	You may also need to receive approval or prior authorization to receive certain medications. The following kinds of medications may require prior authorization:
• All scheduled hospital admissions and acute rehab admissions • CT scans, MRIs, PETs, and certain other radiology services when received as an outpatient and not an emergency • Durable medical equipment like wheelchairs, and hospital beds • Medical oncology (chemotherapy) services • Nurse visits and other home health services • Physical/occupational/speech therapy	• Medications not on the state-wide preferred drug list or benefit exceptions required by medical necessity • Medications and/or treatments under clinical investigation • Medications used for non-FDA approved uses • Certain brand name medications when there is an A-rated generic equivalent available • Prescriptions that exceed plan limits (day's supply, quantity or cost) • Prescriptions processed by non-network pharmacies • New-to-market products • Medications that have treatment guidelines approved by our Pharmacy and Therapeutics Committee • Orphan drugs • Selected injectable products (self-administered and/or physician office administration)

For those services that have limits, if you or your provider believes that you need more services than the limit on the service allows, you or your provider can ask for more services through the prior authorization process.

If you or your provider is unsure about whether a service, item, or medicine requires prior authorization, call Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

Prior Authorization of a Service or Item

Jefferson Health Plans EverWell will review the prior authorization request and the information you or your provider submitted. Jefferson Health Plans EverWell will tell you of its decision within 2 Business Days of the date Jefferson Health Plans EverWell received the request if Jefferson Health Plans EverWell has enough information to decide if the service or item is medically necessary.

If Jefferson Health Plans EverWell does not have enough information to decide the request, we must tell your provider within 48 hours of receiving the request that we need more information to decide the request and allow 10 days for the provider to give us more information. Jefferson Health Plans EverWell will tell you of our decision within 2 Business Days after Jefferson Health Plans EverWell receives the additional information.

You and your provider will get a written notice telling you if the request is approved or denied and, if it was denied, the reason it was denied.

Prior Authorization of Covered Drugs

Jefferson Health Plans EverWell will review a prior authorization request for outpatient drugs, which are drugs that you do not get in the hospital, within 24 hours from when Jefferson Health Plans EverWell gets the request. You and your provider will get a written notice telling you if the request is approved or denied and, if it was denied, the reason it was denied. If you go to a pharmacy to fill a prescription and the prescription cannot be filled because it needs prior authorization, the pharmacist will give you a temporary supply unless the pharmacist thinks the medicine will harm you. If you have not already been taking the medicine, you will get a 72-hour supply. If you have already been taking the medicine, you will get a 15-day supply. Your provider will still need to ask Jefferson Health Plans EverWell for prior authorization as soon as possible.

What if I Receive a Denial Notice?

If Jefferson Health Plans EverWell denies a request for a service, item, or drug or does not approve it as requested, you can file a Complaint or a Grievance. If you file a Complaint or a Grievance for denial of an ongoing service, item, or drug, Jefferson Health Plans EverWell must authorize the medication until the Complaint or Grievance is resolved. See Section 8, Complaints, Grievances, and Fair Hearings, starting on page 47 of this Handbook for detailed information on Complaints and Grievances.

Program Exception Process

For those services that have limits, if you or your provider believe that you need more services than the limits on the service allows, you or your provider can ask for a program exception (PE). The PE process is different from the Dental Benefit Limit Exception process described on page 26.

To ask for a PE, your or your provider can call the Member Services at 1-800-553-0784 (TTY 1-877-454-8477) or send a request to:

Service Descriptions

Emergency Services

Emergency services are services needed to treat or evaluate an emergency medical condition. An emergency medical condition is an injury or illness that is so severe that a reasonable person with no medical training would believe that there is an immediate risk to a person's life or long-term health. If you have an emergency medical condition, go to the nearest emergency room, dial 911, or call your local ambulance provider. You **do not** have to get approval from Jefferson Health Plans EverWell to get emergency services and you may use any hospital or other setting for emergency care.

Below are some examples of emergency medical conditions and non-emergency medical conditions:

Emergency medical conditions

- Heart attack
- Chest pain
- Severe bleeding
- Intense pain
- Unconsciousness
- Poisoning

Non-emergency medical conditions that may need urgent care include:

- Sore throat
- Vomiting
- Cold or flu
- Backache
- Earache
- Bruises, swelling, or small cuts

If you are unsure if your condition requires emergency services, call your PCP or Teladoc at 1-800-Teladoc (TTY 1-800-877-8973), 24 hours a day, 7 days a week.

Emergency Medical Transportation

Jefferson Health Plans EverWell covers emergency medical transportation by an ambulance for emergency medical conditions. If you need an ambulance, call 911 or your local ambulance provider. Do not call MATP (described on page 39 of this Handbook) for emergency medical transportation.

Urgent Care

Jefferson Health Plans EverWell covers urgent care for an illness, injury, or condition which if not treated within 24 hours, could rapidly become a crisis or an emergency medical condition. This is when you need attention from a doctor, but not in the emergency room.

If you need urgent care, but you are not sure if it is an emergency, call your PCP or Teladoc at 1-800-Teladoc (TTY 1-800-877-8973), 24 hours a day, 7 days a week first. Your PCP or a Teladoc doctor or nurse will help you decide if you need to go to the emergency room, the PCP's office, or an urgent care center near you. Jefferson Health Plans EverWell will pay for any medicine listed on the Statewide PDL and Jefferson Health Plans EverWell's supplemental formulary and may pay for other medicines if they are prior authorized. Either your prescription or the label on your medicine will tell you if your doctor ordered refills of the prescription and how many refills you may get. If your doctor ordered refills, you may only get 1 refill at a time. If you have questions about whether a prescription medicine is covered, need help finding a pharmacy in Jefferson Health Plans EverWell's network, or have any other questions, please call Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

Statewide Preferred Drug List (PDL) and Jefferson Health Plans EverWell Supplemental Formulary

Jefferson Health Plans EverWell covers medicines listed on the Statewide Preferred Drug List (PDL) and the Jefferson Health Plans EverWell supplemental formulary. These are what your PCP or other doctor should use when deciding what medicines you should take.

Both the Statewide PDL and Jefferson Health Plans EverWell supplemental formulary cover brand name drugs, generic drugs, and biological products (which may include biosimilars). Generic drugs contain the same active ingredients as brand name drugs. A brand name drug is a prescription drug sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. Biological products have alternatives called biosimilars. Generally, generics and biosimilars work just as well as the brand name or original biological product and usually cost less. Any medicine prescribed by your doctor that is not on the Statewide PDL and Jefferson Health Plans EverWell's supplemental formulary needs prior authorization. The Statewide PDL and Jefferson Health Plans EverWell's supplemental formulary can change from time to time, so you should make sure that your provider has the latest information when prescribing a medicine for you.

If you have any questions or to get a copy of the Statewide PDL and Jefferson Health Plans EverWell's supplemental formulary, call Member Services at 1-800-553-0784 (TTY 1-877-454-8477) or visit Jefferson Health Plans EverWell's website at JeffersonHealthPlans.com/CoveredDrugs.

Reimbursement for Medication

Jefferson Health Plans EverWell will review all requests for reimbursement. Jefferson Health Plans EverWell does not require a specific form, but a receipt is necessary to process the request.

Age of Reimbursement Claim

Some prescriptions require review for medical necessity before Jefferson Health Plans EverWell will pay for them. This is called Prior Authorization (PA). Others do not. If the prescription requires no review, in other words, it would have been paid without any intervention from Jefferson Health Plans EverWell, then the prescription may be reviewed for reimbursement. Prescriptions older than 1 year will not be reviewed regardless if it requires a PA or not.

Age of Prior Authorization

Prior authorization of medications requires clinical review at the time of the request. Due to the nature of the medical review, older requests can result in inadequate and incomplete records. Therefore, any reimbursement request that requires a prior authorization that was not approved previously will not be reviewed. Some instances may require the reviewer's discretion.

Specialty Medicines

The Statewide PDL and Jefferson Health Plans EverWell's supplemental formulary include medicines that are called specialty medicines. A prescription for these medicines needs to be prior authorized. To see the Statewide Preferred Drug List, the Jefferson Health Plans EverWell supplemental formulary, a complete list of specialty medicines and whether your medicine is considered a specialty medicine, call Member Services at 1-800-553-0784 (TTY 1-877-454-8477) or visit Jefferson Health Plans EverWell's website at JeffersonHealthPlans.com/CoveredDrugs

You will need to get these medicines from a specialty pharmacy. A specialty pharmacy can mail your medicines directly to you and will not charge you for sending you the mailing of your medicines. The specialty pharmacy will contact you before sending your medicine. The pharmacy can also answer any questions you have about the process.

You can pick any specialty pharmacy that is in Jefferson Health Plans EverWell's network. For the list of network specialty pharmacies, please call Member Services at 1-800-553-0784 (TTY 1-877-454-8477) or see the provider directory on Jefferson Health Plans EverWell's website by visiting

Maternity Care

Care During Pregnancy

Prenatal care is the health care a member receives throughout her pregnancy and delivery from a maternity care provider, such as an obstetrician or obstetrician-gynecologist (OB or OB/GYN), a certified nurse-midwife, or certified registered nurse practitioner (CRNP). **Early and regular prenatal care is very important for you and your baby's health.** Even if you have been pregnant before, it is important to go to a maternity care provider regularly through each pregnancy.

If you think you are pregnant and need a pregnancy test, see your PCP or a family planning provider. If you are pregnant, you can:

- Call or visit your PCP, who can help you find a maternity care provider in the Jefferson Health Plans EverWell network.
- Visit a network OB or OB/GYN, certified nurse-midwife, or CRNP on your own. You do not need a referral for maternity care.
- Visit a network health center that offers OB or OB/GYN services.
- Call Member Services at 1-800-553-0784 (TTY 1-877-454-8477) to find a maternity care provider.

You should see a doctor as soon as you find out you are pregnant. Your maternity care provider must schedule an appointment to see you:

- If you are in your first trimester, within 10 business days of Jefferson Health Plans EverWell learning you are pregnant.
- If you are in your second trimester, within 5 business days of Jefferson Health Plans EverWell learning you are pregnant.
- If you are in your third trimester, within 4 business days of Jefferson Health Plans EverWell learning you are pregnant.

- If you have a high-risk pregnancy, within 24 hours of Jefferson Health Plans EverWell learning you are pregnant.

If you have an emergency, go to the nearest emergency room, dial 911, or call your local ambulance provider.

It is important that you stay with the same maternity care provider throughout your pregnancy and postpartum care (1 year after your baby is born). They will follow your health and the health of your growing baby closely. It is also a good idea to stay with the same HealthChoices plan during your entire pregnancy.

Jefferson Health Plans EverWell has specially trained maternal health coordinators who know what services and resources are available for you. (See Baby Partners section below.)

If you are pregnant and are already seeing a maternity care provider when you enroll in Jefferson Health Plans EverWell, you can continue to see that provider even if he or she is not in Jefferson Health Plans EverWell's network. The provider will need to be enrolled in the Medical Assistance Program and must call Jefferson Health Plans EverWell for approval to treat you.

Care for You and Your Baby After Your Baby is Born

You should visit your maternity care provider between 7 to 84 days after your baby is delivered for a check-up unless your maternity care provider wants to see you sooner.

Your baby should have an appointment with the baby's PCP when he or she is 3 to 5 days old, unless the doctor wants to see your baby sooner. It is best to pick a doctor for your baby while you are still pregnant. If you need help picking a doctor for your baby, please call Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

Doula Services

Jefferson Health Plans EverWell members also have access to Doula services during pregnancy and after delivery. A state-certified Doula is a non-medical professional who supports your birth choices and provides childbirth education. Doulas may also accompany you to your chosen birthing location and work to ensure that you feel respected and heard during labor and birth. Doulas also provide postpartum in-person and virtual visits, lasting until one year after birth. For more information on Doula services please call Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

Baby Partners

Jefferson Health Plans EverWell has a special program for pregnant individuals called Baby Partners.

Baby Partners is staffed by nurses and social workers who are available to assist members throughout their pregnancy and after delivery.

Our staff works with you, your OB, or midwife by explaining your benefits, assisting with coordinating any care or other health support services needed, helping with setting up appointments and transportation, preparing for the birth of the baby, and assisting with care after the baby has arrived.

Jefferson Health Plans EverWell is committed to supporting and helping you throughout your pregnancy, whether it is through assistance with appointment scheduling or transportation for all your prenatal appointments. Please call, 1-866-500-4571 (TTY 1-877-454-8477) to find out more.

Outpatient Services

Jefferson Health Plans EverWell covers outpatient services such as physical, occupational and speech therapy as well as X-rays and laboratory tests. Your PCP will arrange for these services with one of Jefferson Health Plans EverWell's network providers.

Nursing Facility Services

Jefferson Health Plans EverWell covers medically necessary nursing facility services. If you need long

term nursing facility services (longer than 30 days), you can apply for the Community HealthChoices Program. You will be evaluated to see if you are eligible for participation in the Community HealthChoices Program. If you have any questions or need more information, please call Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

Hospital Services

Jefferson Health Plans EverWell covers inpatient and outpatient hospital services. If you need inpatient hospital services and it is not an emergency, your PCP or specialist will arrange for you to go to a hospital in Jefferson Health Plans EverWell's network and will follow your care even if you need other doctors during your hospital stay. Inpatient hospital stays must be approved by Jefferson Health Plans EverWell. To find out if a hospital is in the Jefferson Health Plans EverWell network, please call Member Services at 1-800-553-0784 (TTY 1-877-454-8477) or check the provider directory on Jefferson Health Plans EverWell's website at JeffersonHealthPlans.com/medicaid.

If you have an emergency and are admitted to the hospital, you or a family member or friend should let your PCP know as soon as possible but no later than 24 hours after you were admitted to the hospital. If you are admitted to a hospital that is not in Jefferson Health Plans EverWell's network, you may be transferred to a hospital in Jefferson Health Plans EverWell's network. You will not be moved to a new hospital until you are stable enough to be transferred to a new hospital.

Sometimes you may need to see a doctor or receive treatment at a hospital without being admitted overnight. These services are called outpatient hospital services.

It is very important to make an appointment to see your PCP within 7 days after you leave the hospital. Seeing your PCP right after your hospital stay will help you follow any instructions you got while you were in the hospital and prevent you from having to be readmitted to the hospital.

For Medicaid transplant services, Jefferson Health Plans EverWell will pay for transplants to the extent that the Medical Assistance Fee-for-Service program pays for such transplants. Any transplant considered to be reasonable or necessary by CMS will be covered when medical necessity criteria is met. Transplants considered experimental or investigational by CMS will not be covered. Covered CMS transplants include bone marrow/stem cell, cornea, heart, heart/lung, kidney, kidney/pancreas,

liver, lung, pancreas and small bowel/multi-visceral.

Except for emergency care, prior authorization is required for inpatient hospital services. If you have any other questions about hospital services, please call Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

Preventive Services

Jefferson Health Plans EverWell covers preventive services, which can help keep you healthy. Preventive services include more than just seeing your PCP once a year for a check-up. They also include immunizations (shots), lab tests, and other tests or screenings that let you and your PCP know if you are healthy or have any health problems. Visit your PCP for preventive services. He or she will guide your health care according to the latest recommendations for care.

Members can also go to a participating OB/GYN for their yearly Pap test and pelvic exam, and to get a prescription for a mammogram.

Physical Exam

You should have a physical exam by your PCP at least once a year. This will help your PCP find any problems that you may not know about. Your PCP may order tests based on your health history, age, and sex. Your PCP will also check if you are up to date on immunizations and preventive services to help keep you healthy.

If you are unsure about whether or not you are up to date with your health care needs, please call your PCP or Member Services at 1-800-553-0784 (TTY 1-877-454-8477). Member Services can also help you make an appointment with your PCP.

New Medical Technology

Jefferson Health Plans EverWell may cover new medical technologies such as procedures and equipment if requested by your PCP or specialist. Jefferson Health Plans EverWell wants to make sure that new medical technologies are safe, effective, and right for you before approving the service.

Before Jefferson Health Plans EverWell approves new treatments, drugs, or equipment that are still considered experimental, the request goes through the following processes:

- We request that the provider submit a detailed narrative description of the service or item.
- We check to ensure that existing Federal and State Regulations do not preclude coverage.
- We research available data via online medical

resources to obtain more detailed information on the service or item including, but not limited to:

- FDA approval status
- Peer-Review Literature

If you need more information on new medical technologies, please call Jefferson Health Plans EverWell Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

Home Health Care

Jefferson Health Plans EverWell covers home health care provided by a home health agency. Home health care is care provided in your home and includes skilled nursing services; help with activities of daily living (ADL) such as bathing, dressing, and eating; and physical, speech, and occupational therapy. Your physician, physician assistant, CRNP or podiatrist must order home health care.

If you are over age 21, there are no limits on the number of home health care visits that you can get. If you are under the age of 21, there are no limits for medically necessary home health services.

Jefferson Health Plans EverWell has a program that includes home health care visits directly relating to a special health care need for our medically complex children and adults. These services are provided once approved for medical necessity in coordination with the member's requesting provider.

You should contact Member Services at 1-800-553-0784 (TTY 1-877-454-8477) if you have been approved for home health care and that care is not being provided as approved.

Patient-Centered Medical Homes

A patient-centered medical home or health home is a team approach to providing care. It is not a building, house, or home health care service. If your doctor's office is a Patient-Centered Medical Home, they have a team committed to helping you. They can assist you with scheduling follow-up care after a hospital discharge, connecting you to community resources if you need food, housing or financial assistance, and creating a plan of care with follow-up activities and goals.

Enhanced Member Supports/Case Management

Jefferson Health Plans EverWell has voluntary care coordination programs to help you take better care of yourself if you have special health care or health related social needs. Jefferson Health Plans EverWell has care coordinators who will work with you and your providers to make sure you get the services

Staff provides health education, coordination of health care services, connection with community support programs, and connections to behavioral health care needs.
- Clinical Connections is responsible for discharge screenings to make sure that members safely transition home and assists members with scheduling the important 7 day post discharge PCP or specialist visit. This unit will also provide disease specific education and health risk assessment follow up and can connect members to additional care coordination services as needed.

All staff in these programs can assist with:

- Coordination of PCP and specialist appointments as well as selection
- Transportation
- Food resources
- Dietary counseling

Early and Periodic Screening, Diagnosis, and Treatment (EPSDT)

EPSDT services are available for children under the age of 21. They are sometimes also referred to as well-baby or well-child checkups. Your child may be seen by a pediatrician, family practice doctor, or CRNP. The provider you choose for your child will be your child's PCP. The purpose of a well-baby or well-child checkup is to detect health problems early so that they can be treated as early as possible. EPSDT includes all Medicaid covered services that are medically necessary to correct or relieve physical or mental illnesses and conditions. The EPSDT benefit includes physical, mental, vision, hearing, dental, and transportation services that are needed to treat a child's health problems and conditions. Jefferson Health Plans EverWell covers physical health services that are needed to treat health problems that are identified during the checkup. Behavioral health services are provided through your BH-MCO. For more information on behavioral health treatment, see page 45. If you have questions or want more information, contact Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

When Should an EPSDT Exam be Completed?

Recommended Screening Schedule			
3-5 Days	0-1 Months	2-3 Months	4-5 Months
6-8 Months	9-11 Months	12 Months	15 Months
18 Months	24 Months	30 Months	
Children ages 3-20 should be screened yearly			

The first EPSDT exam will be completed while you are still in the hospital, just after your baby is born. After that, infants, children and young adults should have their examinations completed based on the schedule listed below. It is important to follow this schedule even if your child is not sick. Your provider will tell you when these visits should occur. Infants and toddlers will need several visits per year, while children between the ages of 3 to 20 will need just 1 visit per year.

What Will the Provider Do During the EPSDT Exam?

Your provider will ask you and your child questions, perform tests, and check how much your child has grown.

The following services are some of the services that may be performed during an exam depending on the child's age and needs of the child:

- A complete physical exam
- Immunizations
- Vision test
- Urinalysis screening
- Blood lead screening test
- Developmental screening
- Depression screening starting at age 12
- Maternal depression screening
- Hearing test
- Autism screening
- Tuberculosis screening

Jefferson Health Plans EverWell covers services that are needed to treat health problems that are identified during the EPSDT exam. Services not otherwise covered under the Medicaid Program may be covered if the services are prescribed by your doctor as a result of an EPSDT exam.

Additional services are available for children with special healthcare needs. Talk to your provider if your child may need these additional services.

Section 4 – Out-of-Network and Out-of-Plan Services

Out-of-Network Providers

An out-of-network provider is a provider that does not have a contract with Jefferson Health Plans EverWell to provide services to Jefferson Health Plans EverWell's members. There may be a time when you need to use a doctor or hospital that is not in the Jefferson Health Plans EverWell network. If this happens, you can ask your PCP to help you. Your PCP has a special number to call to ask Jefferson Health Plans EverWell to request permission for you to go to an out-of-network provider. Jefferson Health Plans EverWell will check to see if there are other providers in your area that can give you the same type of care you or your PCP believes you need. If Jefferson Health Plans EverWell cannot give you a choice of at least 2 providers in your area, Jefferson Health Plans EverWell will cover the medically necessary services provided by an out-of-network provider.

Getting Care While Outside of Jefferson Health Plans EverWell's Service Area

If you are outside of Jefferson Health Plans EverWell's service area and have a medical emergency, go to the nearest emergency room or call 911. For emergency medical conditions, you do not have to get approval from Jefferson Health Plans EverWell to get care. If you need to be admitted to the hospital, you should let your PCP know.

If you need care for a non-emergency condition while outside of the service area, call your PCP or Member Services at 1-800-553-0784 (TTY 1-877-454-8477) who will help you to get the most appropriate care.

Jefferson Health Plans EverWell will not pay for services received outside of the United States and its territories.

Out-of-Plan Services

You may be eligible to get services other than those provided by Jefferson Health Plans EverWell. Below are some services that are available but are not covered by Jefferson Health Plans EverWell. If you would like help in getting these services, please call Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

Non-Emergency Medical Transportation

Jefferson Health Plans EverWell does not cover non-emergency medical transportation (NEMT) for most HealthChoices members. Jefferson Health Plans EverWell can help you arrange transportation to covered service appointments through programs providing NEMT services, such as the MATP described below. To find out what types of transportation services you may use, visit PennDOT's Find My Ride Apply website at [apply.findmyride.penndot.pa.gov](https://www.penn.gov/applymyride).

Jefferson Health Plans EverWell does cover non-emergency medical transportation if:

- You live in a nursing home, and need to go to any medical appointment or an urgent care center or a pharmacy for any Medical Assistance service, DME or medicine.
- You need specialized non-emergency medical transportation, such as if you need to use a stretcher to get to your appointment.

If you have questions about non-emergency medical transportation, please call Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

Medical Assistance Transportation Program

MATP provides non-emergency transportation to and from qualified MA-enrolled medical providers and pharmacies of your choice who are generally available and used by other residents of your community. This service is provided at no cost to you. The MATP in the county where you live will determine your need for the program, and provide the right type of transportation for you. Transportation services are typically provided in the following ways:

- Where public transportation such as buses, subways or trains is available, MATP provides tokens or passes or repays you for the public transportation if you live within 1/4 mile of a fixed route service stop.
- If you or someone else has a car that you can use to get to your appointment, MATP may pay you an amount per mile plus parking and tolls with valid receipts.
- Where public transportation is not available or is not right for you, MATP provides rides in paratransit vehicles, which include vans, vans with lifts, or taxis. Usually the vehicle will have more than 1 rider with different pick-up and drop-off times and locations.

If you need transportation to a medical appointment or the pharmacy, contact your local MATP to get more information and register for services. A complete list of county MATP contact information can be found here:

matp.pa.gov/CountyContact.aspx or please see the list on this page. You may also apply for MATP and other transportation services by going on PennDOT's Find My Ride Apply website at apply.findmyride.penndot.pa.gov.

If you live in Philadelphia, please contact the local MATP broker directly to request a trip.

MATP may confirm with Jefferson Health Plans EverWell or your doctor's office that the medical appointment you need transportation for is a covered service. Jefferson Health Plans EverWell works with MATP to help you arrange transportation. You can also call Member Services for more information at 1-800-553-0784 (TTY 1-877-454-8477).

Jefferson Health Plans EverWell is responsible for emergency and non-emergency ambulance transportation. This could be if you need a stretcher to go to your doctor, or other reasons MATP might not be able to bring you. The MATP may make a referral to Jefferson Health Plans EverWell to

provide trips in cases like this. If Jefferson Health Plans EverWell also cannot do the trip, they will send the referral to your County Assistance Office to be reviewed for a Medical Transportation Allowance (MTA). Please call your caseworker for more information on MTAs.

Early Intervention Services

While all children grow and develop in unique ways, some children experience delays in their development. Children with developmental delays and disabilities can benefit from the Early Intervention Program.

The Early Intervention Program provides support and services to families with children birth to the age of 5 who have developmental delays or disabilities. Services are provided in natural settings, which are settings where a child would be if the child did not have a developmental delay or disability.

Early Intervention supports and services are designed to meet the developmental needs of children with a disability as well as the needs of the family. These services and supports address the following areas:

- Physical development, including vision and hearing
- Cognitive development
- Communication development
- Social or emotional development

Section 6 – Advance Directives

Advance Directives

There are 2 types of advance directives: Living Wills and Health Care Powers of Attorney. These allow for your wishes to be respected if you are unable to decide or speak for yourself. If you have either a Living Will or a Health Care Power of Attorney, you should give it to your PCP, other providers, and a trusted family member or friend so that they know your wishes.

If the laws regarding advance directives are changed, Jefferson Health Plans EverWell will tell you in writing what the change is within 90 days of the change. For information on Jefferson Health Plans EverWell's policies on advance directives, call Member Services at 1-800-553-0784 (TTY 1-877-454-8477) or visit Jefferson Health Plans EverWell's website at [JeffersonHealthPlans.com](https://www.jeffersonhealthplans.com).

Living Wills

A Living Will is a document that you create. It states what medical care you do, and do not, want to get if you cannot tell your doctor or other providers the type of care you want. Your doctor must have a copy and must decide that you are unable to make decisions for yourself for a Living Will to be used. You may revoke or change a Living Will at any time.

Health Care Power of Attorney

A Health Care Power of Attorney is also called a Durable Power of Attorney. A Health Care or Durable Power of Attorney is a document in which you give someone else the power to make medical treatment decisions for you if you are physically or mentally unable to make them yourself. It also states what must happen for the Power of Attorney to take effect. To create a Health Care Power of Attorney, you may but do not have to get legal help. You may contact your Jefferson Health Plans EverWell care coordinator for more information or direction to resources near you. Call 1-866-500-4571 (TTY 1-877-454-8477) if you do not have a care coordinator.

What to Do if a Provider Does Not Follow Your Advance Directive

Providers do not have to follow your advance directive if they disagree with it as a matter of conscience. If your PCP or other provider does not want to follow your advance directive, Jefferson Health Plans EverWell will help you find a provider that will carry out your wishes. Please call Member Services at 1-800-553-0784 (TTY 1-877-454-8477) if you need help finding a new provider.

If a provider does not follow your advance directive, you may file a Complaint. Please see page 47 in Section 8 of this Handbook, Complaints, Grievances, and Fair Hearings for information on how to file a Complaint or call Member Services at 1-800-553-0784 (TTY 1-877-454-8477).

Expedited Complaints and Grievances

What Can I Do if My Health Is at Immediate Risk?

If your doctor or dentist believes that waiting 30 days to get a decision about your First Level Complaint or Grievance, or 45 days to get a decision about your Second Level Complaint could harm your health, you or your doctor or dentist may ask that your Complaint or Grievance be decided more quickly.

For your Complaint or Grievance to be decided more quickly:

- You must ask Jefferson Health Plans EverWell for an early decision by calling Jefferson Health Plans EverWell at 1-800-553-0784 (TTY 1-877-454-8477), faxing a letter or the Complaint/Grievance Request Form to 215-991-4105, or sending an email to quickcga@jeffersonhealthplans.com.
- Your doctor or dentist should fax a signed letter to 215-991-4105 within 72 hours of your request for an early decision that explains why Jefferson Health Plans EverWell taking 30 days to tell you a decision about your First Level Complaint or Grievance, or 45 days to tell you a decision about your Second Level Complaint could harm your health.

If Jefferson Health Plans EverWell does not receive a letter from your doctor or dentist and the information provided does not show that taking the usual amount of time to decide your Complaint or Grievance could harm your health, Jefferson Health Plans EverWell will decide your Complaint or Grievance in the usual time frame of 30 days from when Jefferson Health Plans EverWell first got your First Level Complaint or Grievance, or 45 days from when Jefferson Health Plans EverWell got your Second Level Complaint.

Expedited Complaint and Expedited External Complaint

A committee of 1 or more people, including a licensed doctor or licensed dentist will review

your expedited Complaint. Other providers may participate in the review but, the licensed doctor or licensed dentist will decide your Complaint. The Jefferson Health Plans EverWell staff on the committee will not have been involved in and will not have worked for someone who was involved in the issue you filed your Complaint about.

You may attend the expedited Complaint review if you want to attend it. You can attend the Complaint review in person, but may have to appear by phone or by videoconference because Jefferson Health Plans EverWell has a short amount of time to decide an expedited Complaint. If you decide that you do not want to attend the Complaint review, it will not affect the decision.

Jefferson Health Plans EverWell will tell you the decision about your Complaint within 48 hours of when Jefferson Health Plans EverWell gets your doctor's or dentist's letter explaining why the usual time frame for deciding your Complaint will harm your health or within 72 hours from when Jefferson Health Plans EverWell gets your request for an early decision, whichever is sooner, unless you ask Jefferson Health Plans EverWell to take more time to decide your Complaint. You can ask Jefferson Health Plans EverWell to take up to 14 more days to decide your Complaint. You will also get a notice telling you the reason(s) for the decision and how to ask for an expedited external Complaint review, if you do not like the decision.

If you did not like the expedited Complaint decision, you may ask for an expedited external Complaint review from the Pennsylvania Insurance Department within **2 business days from the date you get the expedited Complaint decision notice**. To ask for an expedited external review of a Complaint, send your request to the following:

Pennsylvania Insurance Department
Bureau of Health Coverage Access,
Administration and Appeals
Room 1311, Strawberry Square
Harrisburg, PA 17120
Fax: 717-787-8585

OR

Go to the "File a Complaint Page" at insurance.pa.gov/Consumers/Pages/default.aspx.

If you need help filing your request for an external review, call the Pennsylvania Insurance Department at 1-877-881-6388.

Expedited Grievance and Expedited External Grievance

A committee of 3 or more people, including a licensed doctor or licensed dentist, will meet to decide your Grievance. The **Jefferson Health Plans EverWell** staff on the committee will not have been involved in and will not have worked for someone who was involved in the issue you filed your Grievance about.

You may attend the expedited Grievance review if you want to attend it. You can attend the Grievance review in person, but may have to appear by phone or by videoconference because Jefferson Health Plans EverWell has a short amount of time to decide the expedited Grievance. If you decide that you do not want to attend the Grievance review, it will not affect our decision.

Jefferson Health Plans EverWell will tell you the decision about your Grievance within 48 hours of when Jefferson Health Plans EverWell gets your doctor's or dentist's letter explaining why the usual time frame for deciding your Grievance will harm your health or within 72 hours from when Jefferson Health Plans EverWell gets your request for an early decision, whichever is sooner, unless you ask Jefferson Health Plans EverWell to take more time to decide your Grievance. You can ask Jefferson Health Plans EverWell to take up to 14 more days to decide your Grievance. You will also get a notice telling you the reason(s) for the decision and what to do if you do not like the decision.

If you do not like the expedited Grievance decision, you may ask for an expedited external Grievance review or an expedited Fair Hearing by the Department of Human Services or both an expedited external Grievance review and an expedited Fair Hearing.

You must ask for expedited external Grievance review within **2 business days from the date you get the expedited Grievance decision notice**. To ask for expedited external review of a Grievance:

- Call **Jefferson Health Plans EverWell** at 1-800-553-0784 and tell Jefferson Health Plans EverWell your Grievance

OR

- Send an email to **Jefferson Health Plans EverWell** at quickcga@jeffersonhealthplans.com

- Write down your Grievance and send it to **Jefferson Health Plans EverWell** by mail or fax:

Jefferson Health Plans
Complaints, Grievances & Appeals Unit
1101 Market Street, Suite 3000
Philadelphia, PA 19107
215-991-4105 (fax)

Jefferson Health Plans EverWell will send your request to the Pennsylvania Insurance Department within 24 hours after receiving it.

You must ask for a Fair Hearing within **120 days from the date on the notice** telling you the expedited Grievance decision.

Department of Human Services Fair Hearings

In some cases you can ask the Department of Human Services to hold a hearing because you are unhappy about or do not agree with something Jefferson Health Plans EverWell did or did not do. These hearings are called "Fair Hearings." You can ask for a Fair Hearing after Jefferson Health Plans EverWell decides your First Level Complaint or decides your Grievance.

What Can I Request a Fair Hearing About and By When Do I Have to Ask for a Fair Hearing?

Your request for a Fair Hearing must be postmarked, faxed, or submitted via email* within **120 days from the date on the notice** telling you Jefferson Health Plans EverWell's decision on your First Level Complaint or Grievance about the following:

- The denial of a service or item you want because it is not a covered service or item.
- The denial of payment to a provider for a service or item you got and the provider can bill you for the service or item.
- Jefferson Health Plans EverWell's failure to decide a First Level Complaint or Grievance you told Jefferson Health Plans EverWell about within **30 days from when Jefferson Health Plans EverWell got your Complaint or Grievance**.
- The denial of your request to disagree with Jefferson Health Plans EverWell's decision that you have to pay your provider.
- The denial of a service or item, decrease of a service or item, or approval of a service or item different from the service or item you requested because it was not medically necessary.
- You're not getting a service or item within the time by which you should have received a service or item.

You can also request a Fair Hearing within 120 days from the date on the notice telling you that Jefferson Health Plans EverWell failed to decide a First Level Complaint or Grievance you told Jefferson Health Plans EverWell about within 30 days from when Jefferson Health Plans EverWell got your Complaint or Grievance.

How Do I Ask for a Fair Hearing?

Your request for a Fair Hearing must be in writing. You can either fill out and sign the Fair Hearing Request Form included in the Complaint or the Grievance decision notice or write and sign a letter or email.

If you write a letter or email*, it needs to include the following information:

- Your (the member's) name and date of birth;
- A telephone number where you can be reached during the day;
- Whether you want to have the Fair Hearing in person or by telephone;
- The reason(s) you are asking for a Fair Hearing; and
- A copy of any letter you received about the issue you are asking for a Fair Hearing about.

You must send your request for a Fair Hearing to the following address:

Department of Human Services
Office of Medical Assistance Programs –
HealthChoices Program
Complaint, Grievance and Fair Hearings
PO Box 2675
Harrisburg, PA 17105-2675
Fax: 1-717-772-6328
Email: ra-pwcgfhteam@pa.gov

*Because emails are not secure unless encrypted by the sender, you should not include personal identifying information such as your date of birth or personal medical information unless you encrypt the email. You may send a request for a Fair Hearing through email and provide your personal identifying information in a letter mailed to the above address.

What Happens After I Ask for a Fair Hearing?

You will get a letter from the Department of Human Services' Bureau of Hearings and Appeals telling you where the hearing will be held and the date and time for the hearing. You will receive this letter at least 10 days before the date of the hearing.

You may come to where the Fair Hearing will be held or be included by phone. A family member, friend, lawyer or other person may help you during

the Fair Hearing. You **MUST** participate in the Fair Hearing.

Jefferson Health Plans EverWell will also go to your Fair Hearing to explain why Jefferson Health Plans EverWell made the decision or explain what happened.

You may ask Jefferson Health Plans EverWell to give you any records, reports and other information about the issue you requested your Fair Hearing about at no cost to you.

When Will the Fair Hearing Be Decided?

The Fair Hearing will be decided within 90 days from when you filed your Complaint or Grievance with Jefferson Health Plans EverWell, not including the number of days between the date on the written notice of Jefferson Health Plans EverWell's First Level Complaint decision or Grievance decision and the date you asked for a Fair Hearing.

If you requested a Fair Hearing because Jefferson Health Plans EverWell did not tell you its decision about a Complaint or Grievance you told Jefferson Health Plans EverWell about within 30 days from when Jefferson Health Plans EverWell got your Complaint or Grievance, your Fair Hearing will be decided within 90 days from when you filed your Complaint or Grievance with Jefferson Health Plans EverWell, not including the number of days between the date on the notice telling you that Jefferson Health Plans EverWell failed to timely decide your Complaint or Grievance and the date you asked for a Fair Hearing.

The Department of Human Services' Bureau of Hearings and Appeals will send you the decision in writing and tell you what to do if you do not like the decision.

If your Fair Hearing is not decided within 90 days from the date the Department of Human Services receives your request, you may be able to get your services until your Fair Hearing is decided. You can call the Department of Human Services at 1-800-798-2339 to ask for your services.

What to do to continue getting services:

If you have been getting the services or items that are being reduced, changed or denied and you ask for a Fair Hearing and your request is postmarked or received by the Department of Human Services within 15 days of the date on the notice telling you Jefferson Health Plans EverWell's First Level Complaint or Grievance decision, the services or items will continue until a decision is made.

Expedited Fair Hearing

What Can I Do if My Health Is at Immediate Risk?

If your doctor or dentist believes that waiting the usual time frame for deciding a Fair Hearing could harm your health, you may ask that the Fair Hearing take place more quickly. This is called an expedited Fair Hearing. You can ask for an early decision by calling the Department at 1-800-798-2339, by faxing a letter or the Fair Hearing Request Form to 717-772-6328, or submitting a written request electronically via email* to ra-pwcgfhteam@pa.gov. Your doctor or dentist must fax a signed letter to 717-772-6328 explaining why taking the usual amount of time to decide your Fair Hearing could harm your health. If your doctor or dentist does not send a letter, the Fair Hearing will not be expedited. The Fair Hearing will be scheduled and decided using the usual time frame.

The Department's Bureau of Hearings and Appeals will schedule a telephone hearing and will tell you its decision within 3 business days after you asked for a Fair Hearing.

If your doctor does not send a written statement, the Fair Hearing decision will not be expedited. Another hearing will be scheduled and the Fair Hearing will be decided using the usual time frame for deciding a Fair Hearing.

*Because emails are not secure unless encrypted by the sender, you should not include personal identifying information such as your date of birth or personal medical information unless you encrypt the email.

You may call **Jefferson Health Plans EverWell's** toll-free telephone number at **1-800-553-0784 (TTY 1-877-454-8477)** if you need help or have questions about Fair Hearings, you can contact your local legal aid office at 1-800-322-7572 or call the Pennsylvania Health Law Project at 1-800-274-3258.
