Sección 1 – Introducción

Este directorio provee una lista de los proveedores de la red de Jefferson Health Plans.

Usted tendrá que escoger uno de nuestros proveedores en la red que estén enumerados en este directorio para que este sea su Proveedor de Atención Primaria (Primary Care Provider, PCP). Generalmente, usted podrá obtener sus servicios de atención médica de su PCP.

Los proveedores de la red incluidos en este directorio han accedido a proveerle servicios de atención médica, oftalmología y odontología. Puede acudir a cualquiera de nuestros proveedores en la red que aparecen en este directorio. Si acudió a un proveedor de la red, no está obligado a seguir usando siempre el mismo proveedor. Usted no necesita que su PCP lo refiera para consultar a un especialista.

Nota importante para miembros con doble elegibilidad: si su copago es cubierto por el programa de Asistencia Médica, usted debe elegir un PCP y otros prestadores que estén en nuestra red y que además participen en el programa de Asistencia Médica. En este directorio, dichos prestadores están identificados con un símbolo de triángulo. Si recibe servicios de un prestador que no acepta Medicaid, el programa de Asistencia Médica no cubrirá el pago y usted podría ser responsable de los montos correspondientes al copago. Recuerde siempre presentar tanto su tarjeta de Jefferson Health Plans como su tarjeta de Community HealthChoices u otra tarjeta de Medicaid al momento de recibir servicios de salud.

Atención de emergencia

En caso de emergencia, debe acudir de inmediato al prestador de servicios de salud más cercano que esté disponible. Llame al 911 o diríjase a la sala de urgencias más próxima. Posteriormente, comuníquese —o pida a alguien que lo haga en su nombre— con su PCP para que pueda coordinar la atención de seguimiento que necesite. Se considera emergencia médica aquella situación en la que usted percibe que su salud corre un riesgo grave e inmediato, por lo que resulta indispensable recibir atención sin demora. Esto puede deberse a una lesión de consideración, a una enfermedad repentina o a un cuadro de salud que se agrava rápidamente.

Atención médica fuera del área de cobertura y atención urgente necesaria

La atención urgente se refiere a la asistencia médica que usted requiere ante una enfermedad repentina o una lesión que no constituye una emergencia. En la mayoría de los casos, este tipo de atención se brinda cuando usted se encuentra temporalmente fuera del área de cobertura de Jefferson Health Plans o cuando su PCP no está disponible de manera temporal. Estos servicios deben ser médicamente necesarios y requerirse de inmediato a causa de una enfermedad, lesión o condición imprevista. Para servicios de atención urgente, le recomendamos que, siempre que sea posible, llame primero a su PCP antes de acudir a otro centro. Nuestra red incluye diversos centros de atención de urgencias y clínicas de atención sin cita previa que pueden brindarle los servicios necesarios.

Si recibe atención de emergencia o atención urgente fuera del área de cobertura, nuestra recomendación es que regrese al área de cobertura de Jefferson Health Plans para continuar con la atención de seguimiento a través de su PCP. No obstante, cubriremos la atención de seguimiento médicamente necesaria que se brinde fuera del área de cobertura siempre que dicha atención continúe siendo urgente, o en caso de que regresar al área de cobertura represente un riesgo para su salud.

Debe acudir a los proveedores de la red, excepto en situaciones de emergencia o de atención urgente para diálisis renal fuera del área u otros servicios. Si recibe atención médica de rutina con proveedores que no pertenecen a la red, ni Medicare ni Jefferson Health Plans asumirán los costos correspondientes.

Si recibe una factura

Si recibe una factura por servicios de un prestador que no participa en Jefferson Health Plans, ábrala de inmediato, pero no pague la factura. Verifique que incluya su nombre y su número de identificación de Jefferson Health Plans tal como figuran en su credencial de afiliación. Si lo desea, haga una copia de la factura para sus registros. Envíe la factura original por correo a:

Jefferson Health Plans
A la atención de: Member Claims
1101 Market Street, Suite 3000
Philadelphia, PA 19107

Procesaremos la factura y/o le informaremos si tiene alguna responsabilidad de pago.

¿Cómo localizar proveedores de Jefferson Health Plans que presten servicio en su área?

En este directorio, los proveedores de servicios de salud aparecen organizados primero por tipo, como proveedor de atención primaria o especialista; luego, por especialidad (sicorresponde), como medicina familiar o medicina interna. Dentro de cada tipo de proveedor o de especialidad, los listados están ordenados por condado, posteriormente por ciudad y, finalmente, en orden alfabético según el nombre de la práctica o del centro de atención. Los listados en Filadelfia se organizan primero por código postal y, dentro de cada uno, por orden alfabético de nombre. También puede utilizar el índice para buscar médicos de forma individual, así como para localizar prácticas grupales por nombre.

Utilizamos símbolos a lo largo de este directorio para ayudarle a identificar con facilidad a los proveedores que mejor se ajustan a sus necesidades individuales. Por ejemplo, los símbolos indican qué profesionales están aceptando nuevos pacientes, cuáles aceptan Medicaid, así como las sedes que cuentan con accesibilidad para personas en silla de ruedas. La información sobre los símbolos que aparecen en este directorio se detalla a continuación y también se encuentra al pie de cada página dentro de los listados.
