Coverage for: Family | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-833-422-4690. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <a href="https://www.healthcare.gov/sbc-glossary/">https://www.healthcare.gov/sbc-glossary/</a> or call 1-833-422-4690 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	In Network: \$8,500 person / \$17,000 family. Out of Network: \$17,000 person / \$34,000 family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Preventive care services</u> and generic drugs are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount.  But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without cost sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	In Network: \$8,500 person / \$17,000 family. Out of Network: \$17,000 person / \$34,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limits.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.jeffersonhealthplans.com/individ uals-families or call 1-833-422-4690 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
